Management Plans

The Definitive Hub for Pharmacovigilance & Regulatory Excellence - *Drug Safety Symposium*

With multiple trailblazing editions and the participation of distinguished regulatory leaders from across the globe, the Drug Safety Symposium is one of the most prestigious and transformative pharmacovigilance event globally. This is not just a conference, it is a movement, a legacy in the making, where innovation meets impact, and collaboration paves the way for an extraordinary future in patient safety.

The 4th Edition Drug Safety Symposium 2025 – India Chapter will build up on February 2025's Dubai chapter with re-defined excellence, by fostering powerful cross-border collaborations, engaging in groundbreaking conversations, and delivering hands-on sessions that empower the industry's brightest minds. With each edition, we continue to elevate standards, inspiring the future of pharmacovigilance through knowledge, technology, and an unwavering commitment to patient safety.

Testimonials from *Dubai Edition*

Over the past two days, I had the privilege of speaking at the 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter, organized by Eminence Group. This event has been a fantastic opportunity for everyone to share knowledge, gain new insights, and stay updated on the latest developments in the industry. I would like to sincerely thank the organizers for this opportunity, and I look forward to seeing everyone again at future editions.

Dr. Katya Nabeel

PV Officer – National PV Center, EDE

I want to give huge credit to Eminence Group for organizing this fantastic event. I truly enjoyed being here with such a diverse group of experts from regulatory bodies, academia, and the industry. It was a pleasure to participate, engage in discussions, and interact with so many professionals. A wealth of experience has been shared, and we have come up with valuable recommendations. Once again, I sincerely thank Eminence Group for this outstanding event.

Samah Ragab

Regulatory Affairs and Pharmacovigilance Director, Middle East, North and West Africa, Organon

The 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter was truly unique and an outstanding success for everyone involved attendees, speakers, moderators, and especially for me as part of the scientific community. It was an honor to participate as both a speaker and moderator across various sessions. The event seamlessly combined presentations, workshops, and panel discussions, creating an engaging and enriching experience. Beyond the knowledge-sharing, we also enjoyed great networking opportunities and had a fantastic time.

Ahmed Hegazy

Managing Director, PVigilant Health

We attended the 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter, where we had the privilege of hearing from speakers with diverse backgrounds across the pharmaceutical industry. They shared valuable insights on the importance of pharmacovigilance, patient-centric approaches, and the latest advancements in the PV industry. It has been an enriching experience, and we look forward to seeing you all at the next edition in 2026.

Jafar Al -Shadidi

Regional Regulatory Coordinator, Exceltis Middle East

I think the event was fantastic, we truly enjoyed it! The group discussions were highly engaging, and the way they culminated in the Risk Management Plan (RMP) session made it even more exciting. The speakers were excellent, and the insights shared were invaluable. I would definitely recommend such events in the future. I'm very glad to have been here and to have had the opportunity to participate as a speaker.

Dr. Gopal Murlidharan

Head of Pharmacovigilance and Collector Operations from ArcoLab

This was my first time attending the 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter, and it has been an incredible opportunity, not only to attend but also to present. It was a great experience participating in discussions, engaging in workshops, and networking with professionals from the industry. I had the chance to discuss key challenges related to drug safety with experts from various backgrounds. I truly hope to attend the conference again next year.

Dr. Manal Younus

Global Head PV, Alkem Laboratories

Thank you very much for organizing such a fantastic event. I found it incredibly engaging and informative. It provided a great platform for collaboration between regulators, industry professionals, vendors, and third-party stakeholders. A wide range of important topics were discussed, including AI, risk management, new regulations, compliance requirements, and PV reporting. The presence of key stakeholders, including regulators, added significant value to the discussions. I sincerely appreciate all the effort behind making this event a success. We look forward to seeing it continue as a recurring event in the future.

Miriam Zalzala

Clinical Development and Operations
Vendor management Lead, Boehringer
Ingelheim

I was thrilled to attend the Drug Safety Symposium India chapter organized by the Eminence group. It was an excellent opportunity to connect with industry colleagues and delve into various important topics. The two-day agenda was thoughtfully crafted by the Eminence team, making the discussions engaging and insightful. I'm grateful for the experience and look forward to future events.

Dr. Rahul Somani

Global Head PV, Alkem Laboratories

I'm delighted to be here at the 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter for the second time since last year. This symposium continues to deliver timely and insightful topics, making it an invaluable experience. A big thank you to the organizers for having me, not just as an attendee but also as the Scientific Committee Chair. It was an honor to invite outstanding speakers and facilitate engaging discussions with industry professionals. The knowledge shared and the learnings gained here in the region have been truly enriching. Looking forward to more such impactful events.

Omar Aimer

President of the North America Chapter, ISO-P

I had the privilege of attending the seminar organized by the Eminence Group, where I was invited to speak on the current landscape of Pharmacovigilance in India. The audience comprised highly knowledgeable and attentive professionals from various sectors of the pharmaceutical industry, making the experience incredibly engaging and insightful. Over the course of the two-day event, we participated in excellent sessions that fostered meaningful discussions and knowledge exchange. Thank you to the Eminence Group for hosting such a valuable and enriching seminar.

Dr. Somnath Basu

Scientist-e in QMS & REGULATORY,
Drug Controller of India

This was my first time attending the 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter, and it has been an incredibly informative experience. The topics covered were highly relevant, and the speakers provided valuable insights into the broader pharmacovigilance landscape, not just within the UAE, but across the entire region. It was also a fantastic opportunity to connect with new professionals, industry delegates, and officials. I truly enjoyed the experience and look forward to future editions of this impactful symposium!

Danish Mohammed

Pharmacovigilance Officer, City
Pharmacy

The way this conference was conducted was truly impressive. The quality of the presentations was excellent, and the speakers delivered their insights exceptionally well. It has been a privilege to attend this session organized by the Eminence group, and it was indeed a great experience.

Dr. Rajendra Kasi

Vice President & Global Head –
Pharmacovigilance, Glenmark
Pharmaceuticals

With the pharmacovigilance market growing at such speed in the Middle East, it made perfect sense to join the 3rd Edition Drug Safety Symposium 2025 – Dubai Chapter. This event provided an excellent networking opportunity, but more importantly, it was a platform for sharing knowledge, gaining new insights, and witnessing the enthusiasm of colleagues in the region. It was inspiring to see how passionate professionals here are about contributing to the continued evolution of pharmacovigilance through innovation, technology, and new business processes.

Dr. Humaira Qureshi
PV Consultant, United Kingdom

Thank you, Eminence Group, for organizing this fantastic event. It has been incredibly informative and valuable for all of us working in the field of pharmacovigilance. I truly appreciate the opportunity to connect with so many amazing professionals from the pharmacovigilance sector and pharmaceutical companies. It has been a pleasure to be part of this experience.

Mai Salama

Head of pharmacovigilance, Phoenix Clinical Research

I would like to sincerely thank Eminence Group for this wonderful opportunity. I've known them for almost eight years now and have been actively engaged with their events, which always bring refreshing content and an incredible energy. Attending feels like being part of a big family celebration, where you stay connected throughout. Despite coming from a different background, I found myself fully engaged with every topic, the content, and the speakers. The overall organization and time management were impeccable—everything started and ended on time, including the sessions and meals. As always, I'm very happy to be here.

Dr. Laila Fatima

Associate Director – Non Drug Program, Novartis

I attended the Drug Safety Symposium 2024, India chapter and it has been an overwhelming experience, especially with the caliber of the audience present, from industry experts to top-level PV heads. The sessions have been highly interactive, and I've enjoyed expanding my knowledge while engaging with others. As a service provider, I see it as my responsibility to address their queries, provide valuable advice, and ensure they are fully informed about regulations. The opportunity to contribute to their understanding and satisfaction is immensely rewarding.
